

## **Helpful contacts or websites for Environmentally friendly products at the Wayne SWCD/STW Recycling Fair Building:**

**Check out our website** (under Landowner Assistance) – for **Rain Barrel** & Rain Garden info [www.wayneswcd.org](http://www.wayneswcd.org) **Wayne Soil & Water**

NEW! (In 2016) Recycled Rubber Mulch – From Gale’s Recycle It – Dover, Ohio  
<http://www.galesrecycleit.com/>

This finely ground black rubber mulch is alongside and behind the building. It is made from pure shredded rubber...NOT recycled tires. Available in black only. Contact S and T Rubber Mulch for pricing and for more information at 419-295-5952 or 330-401-2340.

**EZ Pave by SofScape** <http://www.sofscapepavers.com/index.html>  
<http://www.diamond-safety.com/Sofscape.htm>

SofScape pavers are recycled waste tires molded into a unique 9" hexagonal shape. Each paver covers 1/2 square foot and weighs about 4.5 pounds. More info at Diamond Safety Concepts 1-800-842-2914. We got the building’s pavers from Riefen Rubber in PA in 2004. *“Sofscape Rubber Pavers, were originally invented and manufactured by Reifen Rubber Company in Manheim, Pennsylvania and are currently being manufactured by Sofscape Caribe in Vega Baja, Puerto Rico. Loma Vista Distributing, LLC is an authorized Sofscape Rubber Paver dealer & supplier located in Scottsdale, Arizona. SofscapePavers.com is wholly owned and operated by Loma Vista Distributing, LLC.”*
