

Thank you for attending and support the Equine program Tuesday evening. This is a follow-up letter with the contacts of the presenters and helpful links for you. In case you missed the meeting, you can at least view the power-point presentations and visit the links and handouts by going to the Wayne SWCD website, and viewing the Equine Education section at <http://wayneswcd.org/equined.html>. If you have any questions, feel free to contact me or any one of the speakers. Straight A's had many examples, fencing ideas & helpful catalogs. It would be best to contact them –with their years of experience for any fencing or equipment questions. Sheryl and Carly had a beautiful display for Vetericyn, and can answer your questions about that product. I'm sure you can also look them up at the Equine Affair in Columbus April 12-15 as well. They are all helpful resources that know, understand and own horses! Thanks to them, Tom Holmes for sharing his knowledge, and to Nagy's for their financial support, we had another great program. I thank you for your support and attendance! I hope you have a safe and healthy year with your horses! ~ Kelly
