Don't miss out! Steve is an amazing speaker! His years of knowledge and expertise in the field of ponds, aquaculture and wildlife make him one of the best authorities in pond and fish management. Come to this free educational clinic and learn more about fish stocking and feeding, water quality issues, and vegetation growth among other topics. This will be an informal question and answer session with a very knowledgeable speaker, Mr. Steve Fender. Steve has lifelong experiences and a great sense of humor that he shares with his audience. His book, ***Pond Management: The Common Sense Guide***, will also be available for purchase. Bring your questions, and a friend! Refreshments will be provided. Please RSVP to Wayne SWCD, however, last minute attendees are welcome!
